

Story 1

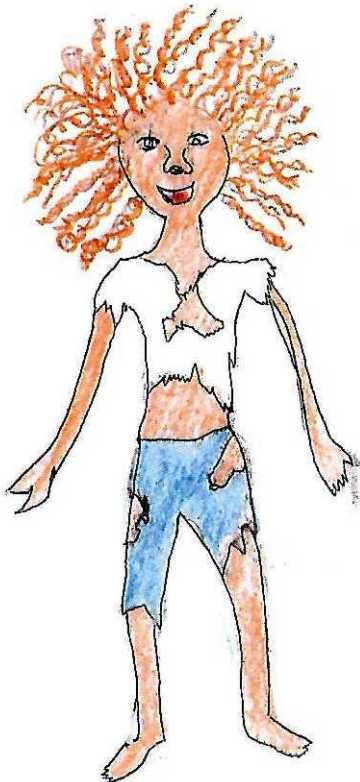

John and Larouco

Larouco

He is a man who lives in Pontedeume. He is 50 years old and he lives in his own made house, that looks like a modern castro. He has a horse in his garden. He likes hunting and he goes hunting almost every day.

Lanouco is a small man, just 158 cm. His eyes and hair colour is dark brown. His hair is quite short. Lanouco has a brown jacket, and under the jacket he has a dark green T-shirt. His pants are black and his boots are black too.

John

He is a boy from Andrade forest. He looks like a human, but he behaves like an animal and he lives with monkeys. He is 7 years old and he is 1.30 metres tall.

He has brown eyes and he has a good eyesight, because he can see very well at night. He has a big nose, but he hasn't got teeth. He is very thin. He eats bananas and apples. He moves by jumping and he climbs trees.

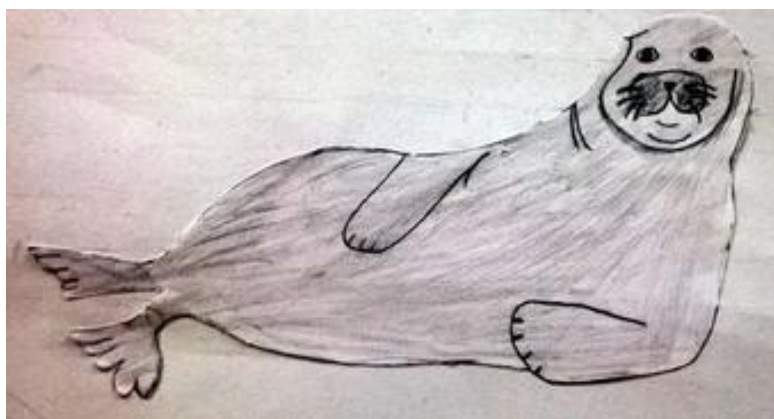

One day, some people came to the Andrade forest. They killed the monkeys and build a castle. Then the little John didn't have a family or a place to live.

Once upon a time...

There was a wild boy called John. He lived in a forest with monkeys. One day he didn't find food, so he went to a rich house to take food and he took some apples. The owner of the house was Lanouco. He was angry, so he went to the forest to kill John.

John tasted the apple. It was a magic apple and it gave superpowers for John. Then he could fly to Finland. Lanouco followed John by plane. They arrived at St Olaf castle.

John saw a Saimaa seal called Lalli in the lake Saimaa next to St Olaf castle.

In the same time John saw a woman who pointed the seal with a gun. John ran a front of the seal and saved him. John died. The women was so upset that she organized a funeral for John. Lanouco became happy because John died. Lanouco didn't arrive to funeral and the woman, who was called Saima, got mad. Saima killed Lanouco.

...five years later Saima got sick so bad that she died.
Lalli was the only one who survived.

Story 2

Midnight and Penelope

Midnight is small brave and young wolf . He is black and he has small blue eyes. He is afraid of humans. His parents died in a fire but before the forest burned he lived in the forest near the Castle of Andrade with his parents.

Penelope is a chef of the castle of San Felipe. She has a long black hair and brown eyes. She is short and slightly overweight. People think that she is very strict and she is always talking very fast. That is why many people do not like her.

She is fifty years old, but she has lived her whole life in the same castle. Also her father worked in the castle of San Felipe. She does not have a family and she does not like children at all.

Her kitchen is the most important place for her. She loves to make food and clean her kitchen.

She is doing that all the time.

Frederik Juhana

Frederik Juhana is the Lord of the castle of Sant Olaf (Olavinlinna). He lives there. He's got a wife and many children. There are plenty of servants and workers in the castle, who work for him. He's a good ruler and people like him a lot. He's also a famous warlord, his armies have fought in Europe, also in Spain.

He is forty-five years old and he has a long blond hair. He's tall.

Tapio, The son of Ahti

He lived in Finland but he went to Spain to get money by hunting wolves and selling their fur. He is 20 years old. He has short blond hair, blue eyes and he is thin and strong. Accidently he found San Felipe castle when he was lost. Ahti, Tapio's father, was a very rich craftsman but Tapio doesn't want to be like his father so he started to live alone and made small jobs but he is really poor. Thats the reason why he went to Spain.

THE STORY

One day, a long time ago, Penelope, the chef of the castle of San Felipe, had to leave her job. That was because the people of the castle had found a better chef. She had to find a new job. She talked with some people and they said that there was a job for a chef in the castle of Andrade. Then she went to the castle of Andrade and she started to live and work there.

At the same time, near the castle of Andrade, a wolf called Midnight lived with his family. But one day the forest burned and his parents died in the fire so he had to leave. After walking for hours he found the castle. He was tired so he went to sleep in front of the castle door.

In the morning, when Penelope opened the castle door, she find the wolf. He ran away because he was scared. Soon after that, Penelope went to the forest to find some berries, mushrooms and herbs. When it became dark, she didnt find the way back to the castle. Then she saw something in the dark. It was the wolf. Penelope was very scared and she shouted to the wolf: "Go away!" but the wolf just kept looking at her. Penelope tried to run away but she fell and broke her ankle. The wolf walked next to Penelope and helped her to stand up. Penelope was very terrified but the wolf was very nice to her. The wolf helped her to go back to the castle.

Then Penelope looked up to the sky and she thought that the wolf was black like the midnight so she called the wolf "Midnight".

While all of this was happening in Olavinlinna castle, Tapio was ordering his things to go to Spain. He thought that he was going to be rich. So he started the way and in 6 months he was in Spain.

At the same time the Lord of Olavinlinna castle was deciding a war to Spain with his armies. They started a way to Spain and they were there after six months journey.

After six months they both were finally in Spain. Tapio and Frederik met in the Castle of Andrade when Tapio was hunting and Frederik was looking for a place to sleep for the night. They think that it's better to stay together because Frederik had lost his army so they were both alone.

Suddenly Tapio saw a beautiful black wolf and tried to hunt it. The wolf was Midnight. But Midnight was too quick and it got away. So he said that he is going to hunt it the next day. Meanwhile Frederik was hungry so he went to Andrade castle's kitchen to find food. There he met Penelope the chef of the castle. Frederik asked for food and thought that she was a good chef. Then he asked Penelope to come with him to Finland. Penelope said yes and they started their way to Finland.

The next day Tapio was looking for Midnight. But suddenly when he saw Midnight it was very scared and it was only waiting for Tapio's reaction. Tapio couldn't shoot at it because the wolf looked very small and sad. He put down the arrow and gave his hand to Midnight. He was scared but he came to smell Tapio. Tapio stroked Midnight carefully and it started to trust Tapio.

Finally Frederik and Penelope were back in Finland and they moved to Olavinlinna castle and they got married. Midnight and Tapio became good friends and Tapio moved to Andrade castle and they lived a happy life together. Tapio didn't hunt any more wolves and he became a fisherman.

Sofía is a girl who was born in 1399, she is thirteen years old. She has brown eyes and chestnut hair. She is tall and thin. She has braids and she wears black clothes: a jacket, a T-shirt and some pants. Her shoes are black, too.

She likes hunting or fishing in Fragas do Eume; she loves being with her best friend, Pedro, in Breamo; she enjoys riding a dragon.

She isn't interested in cooking; she doesn't like Bigotes, her sister's cat; she hates the Counts of Andrade.

Pedro is a boy who was born in 1397, so he is 15 years old. He has black curly hair and blue eyes.

Carla is a ten-year-old kid who was born in 1402. She has straight brown hair, green eyes and freckles. She is short and thin. He is tall and strong.

Guantes

The dragon is big and blue.
It has white wings and a long tale.
It is a male dragon.
It lives in the Castle of Andrade.
It's a good dragon and it likes to help people.
The dragon likes flying.
It is always hungry and it loves cookies.
It isn't scared of anything.
This dragon has been living in the

Castle of Andrade

for many years. One day a warrior discovered it, now it likes to help people.

Ninni

Ninni is a baby seal that lives in a lake near Olavinlinna castle.

She was born in 1412.

Ninni has lost her parents. She is a little bit lonely, but brave seal.

Aurora

Her name is Aurora and she is seventeen years old.

She is a princess caught in Olavinlinna castle.

She has been a prisoner there many years ago and she was waiting for someone who can help her.

She has long brown hair and green eyes, she looks like an angel.

She is wearing a princess dress with pink

colours.

She is kind and friendly, she's also innocent.

Once upon a time, a girl called Sofía found a dragon when she was hunting.

She saw fire in the Castle of Andrade, and she ran to the castle.

Then, she saw a dragon...

She was scared at the beginning. The dragon was coming! Sofía took her bow and an arrow, but the dragon started to kneel and smile in front of her. Then, she remembered what her father said before dying: that blue dragons are good and red dragons are

bad. But, when he said that, Sofía didn't believe him, she thought that dragons didn't exist.

The Dragon was light blue except in the belly and hands, where it was dark blue. So she decided to be its friend and call it "Guantes".

They will live many exciting adventures together!

Sofía and Guantes went to Olavinlinna looking for adventures.

While they were flying, they saw a baby seal who was crying. The dragon wanted to ask why she was so sad. Guantes started to speak with the baby seal, and Sofía couldn't understand anything. He told Sofía that the seal's name was Ninni and she was that sad because her parents disappeared.

Then, they heard someone singing nearby. They saw a girl looking through the window and they came near the castle. Sofía asked her who she was and she said she was a princess caught in the castle. Then Sofía proposed that if the princess could help to find seal's parents, they can release the princess. So they decided to do it, they flew to the window and she jumped onto the dragon. Then they just flew down rescuing her.

They became a family and looked for her parents, but they didn't find them, so they stayed together forever.
